

Urano F1

Sweet Italian Type

Middle-earling maturing

HR: TMV; PVY
IR: TSWV

23x5,5 cm

Red pepper variety related to sweet Italian type with a particular horned shape. The fruit is very regular, elegant and with a long leaf stalk and its length is 22-23 cm. (8.66-9 inches), while its width around 5.5 cm. (2.1 inches). A shiny and bright red surface envelopes a very thick flesh extremely tasty. One of Urano F1's main characteristics is to possess also a long shelf life (LSL). The plant is very rustic with medium stamina and short internodes. It shows several other properties: it is highly productive; it maintains an excellent blossoming even in the upper stems; it adapts successfully to long cycle and transplants in autumn and winter.
